

## **Megan Atkins Thoben**

Megan Atkins Thoben is the Director of Operations and Business Development for both Louisville Muhammad Ali International Airport (SDF) and Bowman Field (LOU). In her current role, Megan is leading a \$400 million terminal renovation effort, overseeing the development of the airport's first full-time Airport Operations Department, and managing the daily operations of both airports with respect to terminal and airfield safety and security. With over 14 years of experience in airport operations and having worked on multiple different airport transformation projects, her contributions to the industry have earned her the title of 'Forty Under 40' by Louisville Business First in 2021 and Most Admired Woman in the Young Executive Category by Today's Woman Magazine 2022. Megan is passionate about connecting the world through people and planes. She is a firm advocate for women in aviation and spends her free time giving back to her community by coaching students from her high school. Megan is also a Private Pilot Certificate holder and an Accredited Airport Executive (A.A.E.) with AAAE.
