

Raluca ANGHELACHE is the Airworthiness and ATM Data Manager within the Aerospace Capabilities Section of NATO's Defence Investment Division.

She graduated with a Bachelor and Masters Degree in Aerospace Engineering at the Polytechnic University of Bucharest, Romania. After moving to Brussels (Belgium) back in 2011, she gained a vast experience in aviation policy, regulations and data management, having worked previously within the European Commission, the European Business Aviation Association (EBAA), The European Organisation for the Safety of Air Navigation (EUROCONTROL) and currently the North Atlantic Treaty Organisation (NATO).

When she is not working, Raluca enjoys reading, singing, flying and traveling.
